### **SCHEDULE**

A time schedule will be mailed and e-mailed to all entrants, one week prior to the competition date. Every regional schedule is set up based solely on the breakdown of entries by solos, duets/trios, groups and lines for that particular city. We will not have this breakdown until all of the entries have been processed.

All entries are expected to compete on the day and time assigned. Entries which do compete on their assigned day and time will be adjudicated only and will not be eligible for high score awards.

Each entry will be assigned a number. The competition will run in numerical order. You may be asked to compete out of sequence in order to avoid a delay due to costume changes. Please be prepared to compete when we call your number, even though it may be a few numbers earlier than anticipated. A .5 deduction may be assessed if contestants do not perform in scheduled sequence, without prior permission from the stage manager at the competition. Any studio that delays the show because they are rehearsing, will be assessed a .5 deduction from their total score.

### **NOVICE LEVEL**

Any dance entries consisting primarily of beginning dancers who are new to the competition world may enter the NOVICE level of competition. These entries will still receive adjudications (based on their level) and be eligible for special awards but will not be eligible for competitive High Score Awards. Drop the decimal point. Ex: an age average of 12.8 would compete in the 12 year old division. You must compete in the proper age division, determined by this average.

No dancer, age 20 or older, is allowed to compete in any division other than Adult, **EVEN** if they are part of a group averaging a lower age. (The entire group must then compete in the adult division.)

Names, ages, and birthdates of all contestants must appear on the official entry form or it will not be accepted. The youngest performer in a routine must remain on stage for at least 25% of the routine.

Any SOLO routine which is not completed the first time, and is attempted a second time, will be adjudicated only and will not be eligible for High Score Awards. (Exception: if it was stopped due to a technical error. See above.)

**INAPPROPRIATE CHOREOGRAPHY/COSTUMING**

Suggestive, offensive, or vulgar choreography and/or music is inappropriate for family audiences and therefore lacks audience appeal. Routine choreography should be appropriate and entertaining for all audience members. Vulgar or suggestive material is defined as any movement or choreography implying something improper or indecent, appearing offensive or sexual in content, and/or relaying lewd or profane gestures or implications. In addition, use of themes such as rape, suicide, murder, sex, domestic violence, anorexia, and dark undertones chosen and/or presented to competition audiences with a lack of "artistic discretion" is considered inappropriate. Inappropriate choreography and costuming affects the judges' overall impression of the routine. Please make sure that all choreography and costuming is age appropriate.

Inappropriate choreography and/or costuming will be at the sole discretion of the RDF judges and officials. An entry that is ultimately deemed inappropriate will be adjudicated only.
